Large sunny rooms, a beautiful updated kitchen, gorgeous wood floors are just a few of the things you'll fall in love with when you walk through 35 Pleasant St. Priced for the little bit of work that needs doing, you'll come out ahead of the pack when you own this charming antique colonial at an unbelievable asking price of \$122,900. There's room for hobbies, a home office, library, work out room, there's even a walk up attic! Gorgeous, gleaming hardwood floors. The heat and electric are updated as well. The basement is great for a workshop with heat and plenty of ceiling height. A fence provides privacy for the perfectly-sized back yard.
